Stewardship Visitations

Visiting has begun by the visitation teams. Thank you for having us! We have visited a number of homes this week and we look forward to visiting with more of you as the summer weeks progress.

One of the goals of the board is to have an every member visitation this summer. We hope to receive feedback from you the congregation with respect to what SUC means to each of you, your hopes, dreams, your thoughts

on programming, and what kind of a commitment you wish to make to SUC in terms of time, talents and giving's. We have been in our new sanctuary for 9 months and our focus is now moving from the building phase to **supporting and living out God's mission**. A team of 2 will be calling on you soon to see if they can come for a short visit and a chat.
